

Introduction

PSAbank offers a vast array of high quality PSAs from government agencies and nonprofit organizations nationwide. This PSA archive is constantly updated with new content and all video and audio files are available on-demand and ready for broadcast in high quality HD and SD formats. Files are delivered via Dropbox, FTP and Extreme Reach.

How to download a PSA

1. Visit PSAbank.com.
2. Click on the "Download TV & Cable PSAs" button or the "Download Radio PSAs" button to download a PSA of your choice to your computer via Dropbox.
3. Click on the image for each TV or Radio PSA of interest to preview via Youtube.
4. Once inside Dropbox, click on the image to preview and download the TV or Radio PSA in the broadcast resolution format desired.

The U.S. Food and Drug Administration (FDA) – Generic Drugs - PSN TV
